This spacious home featuring over 2000 sq. ft of living space has an excellent layout! The upper level has 3 bedrooms located together accented by a newly remodeled bathroom, kitchen updates, LVP flooring, fresh paint, and patio doors to the backyard and patio.

The lower level has a 4th bedroom, another updated bathroom, huge L shaped living room (25x11 + 14x14), finished laundry room, and great storage space with shelving included.

You'll love the attached 2 car garage that is insulated, heated, and includes the TV.

Large wooded lot offers peace and privacy to enjoy morning coffee on the patio.
